STAT STAT
1. (Administrative Internal Use Only - GLC) At his request, I met again with Senator Thomas J. Dodd to discuss Senator Eastland's letter to the Agency raising questions concerning the case [redacted]

[redacted] Senator Dodd said he had talked with Jay Sourwine, of the Senate Internal Security Subcommittee staff, yesterday, that Sourwine is anxious to get a reply "for the record" but it is still Senator Dodd's view that it would serve no useful purpose for the Subcommittee to have this information. Dodd is taking a very firm position against Sourwine on this and said he would discuss the matter further with Senator Eastland upon Eastland's return to Washington on Monday. Dodd's stand on our behalf was most encouraging and I feel certain that he is going to pursue this matter to the end.

STAT STAT
2. (Unclassified - GLC) Talked with Miss Mason, in the office of Senator Henry M. Jackson, with further reference to the case of [redacted] an applicant who has been put in process, rejected, put in process and rejected again in the course of his application for a position with this Agency. I told Miss Mason that, regretfully, this last rejection (following our previous statement to the effect that we had a position for which [redacted] was qualified and would discuss it with him) was based on further curtailment of recruitment which was necessitated by the reduction in personnel ceilings. I told Miss Mason that I was alerting her to this since it was quite possible that [redacted] would be in touch with them again. Miss Mason was rather philosophical about the whole thing and said if further correspondence was received from [redacted] they would probably contact us again.

STAT STAT
3. (Internal Use Only - JCO) In conversation with House Defense Appropriations Subcommittee Staff, I ascertained that Mr. Michaels will be tied up during the day and indicated that I would return the transcripts on 15 and 16 January 64 on Wednesday, 22 January 64.
